CAREER OBJECTIVE

Aspiring UI/UX designer passionate about enhancing product usability and satisfaction through innovative design. Proficient in Figma, Adobe XD, and Photoshop, and equipped with foundational skills in front-end web development including HTML, CSS, and JavaScript. Committed to continuous learning and creating impactful digital projects.

SKILLS

- Technical Skills   Python, HTML, CSS.
- Expertise   User Interface and User Experience (UI/UX), Graphic Design.
- Technologies and Tools   Unity 2D/3D, Figma, Adobe Photoshop, Adobe Illustrator, Canva, Blender, VS code.
- Soft Skills   Leadership, Creativity, Time Management, Adaptability, Communication.

EDUCATION

- Aditya University, Information Technology (CGPA : 7.77)   2021- 2025
- Gamyam Jr College, M.P.C (Percentage : 81.1%)   2019- 2021
- S.R.Z.P.P High School, 10th (CGPA : 9.7)   2018- 2019

EXPERIENCE

Web Development   Jun 2023 - Aug 2023
At BrainOvision Solutions   (Internship)
- During my web development internship, I completed projects involving static and dynamic websites. I gained valuable experience using WordPress and front-end technologies, honing my skills and expanding my knowledge.

Unity Designer   Jun 2024 - Aug 2024
At Technical Hub Pvt. Ltd.   (Internship)
- Developed a good understanding of Design principles, encompassing core concepts such as Objectives, Constraints, Gameplay, Sound design and algorithmic problem-solving.
- This experience significantly strengthened my self-learning skills during the short-term internship.

PROJECTS

Personal Portfolio (Roll: Front-end Developer)

Built a responsive personal portfolio with HTML, CSS, and JavaScript, highlighting skills in web development and UI/UX design. Features include clear navigation, project showcases, and insights into my professional journey and design approach.
